RENT LEVELING AND STABILIZATION

[LEARN MORE](#) 

The office staff assists landlords and tenants in understating the impact the Municipal Rent Control Ordinance, Chapter 155, may have on their properties and apartments. Technical assistance is provided on a wide variety of rental issues which cover such matters as: which apartments are subject to local rent control laws; what is the legal base rent; what rent increases the law permits; annual cost of living adjustments; tax surcharges; water/sewer surcharges; capital improvement surcharges; hardship increases; vacancy decontrol and annual registration requirements. Files on all residential properties are maintained for public inspection if owners and/or tenants have questions regarding a particular property.

ANNUAL REGISTRATION

Annual Property Registration for all property owners of a single family, condominium, multiple dwelling units, and or mixed-use buildings is now available online via the SDL Portal.

If you completed a Property Registration in the SDL Portal in 2023, you will be Renewing your Annual Registration, please review the instructions [HERE](#). If you are registering your property for the first time in the SDL Portal, use the instructions [HERE](#).
